## **The purpose for this material:**

The *“Gentle Shepherd Ministries Correspondence Course”* has been provided to encourage disciples of Jesus to explore the complete Word of God. Each student has a tremendous opportunity of being equipped in effectively understanding, knowing and properly using their sword, the Word of God.

In order to receive a Certificate of Completion for the *“Gentle Shepherd Ministries Correspondence Course,”* you will have to provide copies of the questions and tests for grading. Although the course is free, there is a \$2.50 fee for each assignment and test to be graded by the officials of Gentle Shepherd Ministries. Send all finished material to *Gentle Shepherd Ministries, P.O. Box 93, Nampa, ID. 83653.*

Dear Student,

Welcome to the "*Gentle Shepherd Ministries' Correspondence Course.*" This course is designed to challenge you to dig deeper for spiritual truths in order to gain greater revelations of God.

As you will discover, this course is designed to avoid denominational teachings. We believe that a careful study of the Word of God will create the correct foundation under the guidance of the real teacher, the Holy Spirit. This foundation is capable of giving Christians the necessary tools to discern spirit and truth concerning their own creeds and the creeds of others.

There will be a few doctrines, such as dispensationalism that you will be encouraged to know. These different teachings are simply being used because they can give you an overview of the Bible and insight into consistent patterns that can be found throughout Scripture.

Occasionally additional material will be required to give you a better understanding of the material, as well as to help you answer the questions. You will also be asked to memorize key verses.

If you plan to obtain a Certificate of Completion, as the teacher, I have one request. I would appreciate it if you would write down the question first, followed by your answer. There is more than one question in some of the questions and this would enable me to distinguish each of your answers, and help me to properly correct your paper.

Our prayer is that as you explore this valuable gold mine of God's Word, you will come forth possessing the greatest treasure of all, Jesus Christ.

God bless you and may He guide you as you "prospect" His Word.

In His Service,

*Rayola J. Kelley*

Dear Student,

You are about to enter the world of both history and prophetic warnings and truths. My goal in the next assignments is to show you how the different prophets fit into the historical scene of Israel.

As you can see how the different prophets intertwine with history, it is my hope you will gain greater insight into their prophecies.

There will be a couple of prophets out of sequence. There are many debates about the time Obadiah lived. Please notice my note about him at the beginning of assignment 13.

The other prophet that I could not effectively place during the time he lived was Isaiah. He is a major prophet and lived during the time of King Uzziah and King Hezekiah. I felt that if you had to take time to read Isaiah during the time he lived, the continuity would be lost as far as the history of Israel.

Now enjoy this incredible journey into the reality that God is indeed God of the history, as well as the Great I AM that is every present today and tomorrow.

God Bless

*Rayola*
